FREQUENTLY ASKED QUESTIONS

What is GEC doing to prevent the spread of COVID-19?

To help alleviate the risk of COVID-19, GEC has placed signage in our lobby to remind guests to maintain social distancing protocols and has removed and rearranged furniture to allow more space for distancing. To promote the health and safety of our communities, face coverings are required for guests and staff in all indoor common areas. Hand sanitizers have been stationed at the entrances of our lobby, as well as at the entrance of our common kitchen. GEC has increased daily cleaning and disinfection of all common areas and surfaces, paying close attention to doorknobs and handles, elevator buttons, light switches, washrooms, and other high-touch surfaces.

GEC has also implemented the following: sheets and towels are washed at 60°C or hotter, protective Plexiglass barriers are installed in main contact areas, staff conduct regular temperature checks, and staff wear personal protective equipment

What makes GEC's self-isolation services different from other hotels?

- We provide a complimentary care package upon arrival, which includes face masks, hand sanitizer, water, snacks, and cleaning supplies.
- We have the option for students to order groceries before arrival and we will place the student's delivery into their suite before they check in.
- We have the option for students to enroll in a meal plan that will be delivered to the suite.
- We have 24/7 on-site support staff to help with any deliveries, inquiries, and questions.
- We organize virtual events and activities to keep students engaged during their self-isolation.
- We offer personal laundry pick-up and drop-off services.
